## About Registration Cost

Families are asked to contribute a **\$20.00 registration fee** per child for the year to help offset the cost of weekly operation of our Awana Clubs. These annual dues help pay for handbooks, awards, treats and basic materials and equipment.

**Handbooks are included** in the price of registration and are provided to all children; however, if a child must replace a lost handbook, there is a \$10 replacement fee.

The cost of a **uniform is NOT included** in the registration fee. Jerseys and vests can be ordered using the back of this registration form and paid for along with registration.

A limited supply of used uniforms is available from time to time at a reduced cost. Please contact the Awana secretary to check availability of used uniforms.

If you find the registration fee or the cost of uniforms to be a financial burden for your family, let us know. We want Awana to be available to all children!
