Please contact our Group Coordinators, Aaron and Stefanie Weseman, for questions, help with registration, or to confidentially discuss concerns you may have (contact info above). Our goal is to make it possible for anyone to attend this conference, by helping you overcome any roadblocks that may prevent you from attending.

Some of the issues we can help with are:

- Financial assistance - Limited scholarships available\*
- Coordinating childcare - We have couples in the church who have volunteered to watch kids over the weekend in order to make attendance possible for couples to attend who might not have family or close friends in town who could take their kids for the weekend.
- And any other issues that may hinder you from attending this amazing weekend.

**\*\*\* Please note: We are in need of scholarships to offer couples who cannot afford to attend the conference. If you would like to sponsor a couple or donate to the scholarship fund, please contact the group coordinators (listed above) or the church office at [541-386-2812](tel:541-386-2812). Thank you!**

### **Additional Conference Info:**

Anyone may register with our group to receive the discount. You do not need to attend Hood River Alliance Church or even live in the Gorge area.

The group discount is good at ANY Weekend to Remember marriage conference. There are conferences year-round at many locations across the US.

Engaged couples may attend Weekend to Remember, too! What better way to start your lives together than to learn God's plan for marriage? Pre-married couples will join the main sessions during part of the weekend, and branch off into separate sessions during other parts of the conference, to discuss topics specific to entering into marriage. **GIFT CERTIFICATES AVAILABLE - MAKES A GREAT WEDDING GIFT!**

Pastors and their spouses attend the conference for FREE! They only need to pay for their hotel room and meals. For a printed certificate to give your pastor, contact the Group Coordinators (above)

**Plan for DATE NIGHT on Saturday evening** during the conference weekend. All couples will be released for "free time" on Saturday evening, giving you the opportunity to "date" your spouse for the evening. You may wish to go out to a nice dinner, go for a walk, stroll around the great shops at Jantzen Beach, or spend some special quiet time together in the privacy of your room, just talking and enjoying each other's' company without the phone ringing, the washing machine buzzer going off, kids to feed, etc! Pre-planning is not required (there are several restaurants in the area that do not require reservations), so it just depends on your plans for the evening. Make it a special night!
